

AMENDED IN ASSEMBLY MARCH 18, 2014

CALIFORNIA LEGISLATURE—2013–14 REGULAR SESSION

ASSEMBLY BILL

No. 2025

Introduced by Assembly Member Dickinson

February 20, 2014

An act to amend Section 14005.40 of the Welfare and Institutions Code, relating to Medi-Cal.

LEGISLATIVE COUNSEL'S DIGEST

AB 2025, as amended, Dickinson. Medi-Cal: program for aged and disabled persons.

Existing law provides for the Medi-Cal program, which is administered by the State Department of Health Care Services, under which qualified low-income individuals receive health care services. The Medi-Cal program is, in part, governed and funded by federal Medicaid Program provisions. Existing law requires the department to exercise its option under federal law to implement a program for aged and disabled ~~person~~, *persons*, as described. Existing law provides that an individual under these provisions shall satisfy certain financial eligibility requirements, including, among other things, that his or her countable income does not exceed an income standard equal to 100% of the applicable federal poverty level, plus *an income disregard of \$230 for an individual, or \$310 in the case of a couple, as prescribed except that the income standard determined may not be less than SSI/SSP payment level for a disabled individual or couple, as applicable.*

~~This bill would instead provide that the individual's countable income shall not exceed an income standard equal to 138% of the applicable federal poverty level.~~

This bill would increase those income disregard amounts to \$369 for an individual, or \$498 in the case of a couple, and require that the income disregards be adjusted annually. The bill would provide, however, that the income standard determined may not be less than the SSI/SSP payment level the individual or couple, as applicable, receives or would receive as a disabled or blind individual or couple.

Because counties are required to make Medi-Cal eligibility determinations and this bill would expand Medi-Cal eligibility, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:
